

CA Foundation Accounting Premium Starter

CA Foundation / Professional Certification / Accounting

Premium Snapshot

Exam: CA Foundation

Subject: Accounting

Topic: Concept and Entry Discipline

This Study Hub premium pack is a guided sheet. Keep official syllabus, official notices, and standard books as the source of truth.

Study Flow

- Step 1: Open the matching syllabus or textbook folder first.
- Step 2: Convert this sheet into a one-page note and a short practice set.
- Step 3: Solve PYQ, mock, or board-style questions from the same folder family.
- Step 4: Add every mistake to one error log and revise it weekly.

Premium Content

- Master accounting equation, journal, ledger, trial balance, depreciation, bills, and final accounts.
- Keep format discipline: narration, date, debit-credit side, and working note should be clean.
- Practice mixed adjustments because final accounts mistakes often come from missed conditions.

Output Checklist

- One syllabus map or chapter map is complete.
- One practice set is attempted in timed mode.
- Wrong answers are grouped by concept, careless error, or time pressure.
- Next revision date is written before closing this pack.
