

UPPSC PCS Mains GS Paper III PYQ Map

UPPSC PCS | Mains | GS Paper III

Economy, science, environment, agriculture, and disaster management

- Tag PYQs by economy, agriculture, science and tech, environment, biodiversity, disaster, and security.
- Use diagrams, flowcharts, data points, and UP-specific agriculture or disaster examples.
- Connect current affairs with static concepts for more mature Mains answers.
- Prepare short case studies for climate, floods, health tech, startups, and rural development.
