

UPPSC PCS Prelims CSAT Paper II PYQ Map

UPPSC PCS | Prelims | CSAT Paper II

Comprehension, reasoning, numeracy, and decision-making drill

- Keep CSAT as a weekly routine: comprehension, reasoning, data interpretation, and basic numeracy.
- Solve official Paper II sets in timed mode and mark weak areas after every attempt.
- Maintain a formula and reasoning-error sheet for the final month.
- Use this folder for UPPSC GS-II/CSAT official question papers and qualifying-paper practice.
